## Plans Abandoned For 'Alumni' Day By Board Action

The Board of Directors of the Potomac State College Alumni Association, Inc., at their March meeting, regretfully decided to abandon plans for an Alumni Day on campus this spring. The reason given was that no acceptable date could be found during the crowded May calendar of campus activities.

The Board agreed that a spring Alumni Day is desirable and is keeping the matter under active consideration for the coming year.

## Homecoming Is Set for Oct. 26

October 26! Yes, turn over four months on the calendar and mark Saturday, October 26 in RED! This is the date for Homecoming '63 on the Potomac State Campus.

Aside from the usual parade, football game, and Homecoming Ball, we are once again planning a Fiftieth Anniversary celebration for the Class of 1913. Recognition will be given the Class at the Homecoming Luncheon tentatively set for noon that day.

Any of you who are interested in having a reunion of your class from PSC should get in touch with Mrs. Robert T. Coffman, Director of Alumni Affairs, Administration Building, Potomac State College, Keyser, West Virginia. She will be glad to supply you with names and addresses of your classmates (at least those we have; we're still working on those files!)

## Foundation Fund Continues Growth

The Alumni Office reports that since the February kick-off of this year's Foundation drive, approximately \$900.00 has been received from alumni across the country. As of publication time, the Foundation totaled \$1,908.00. The 1962-63 campaign closes on June 30, 1963. Have you mailed yours?

During his 46 years in the field of education, Dean McKee held positions as instructor, school principal, junior high school principal, elementary and high school supervisor, as well as college instructor and dean.

Prior to coming to Potomac State in 1936, simultaneously with Dr. E. E. Church, president, he was director of high schools in Randolph County and principal of Elkins High School.

He was a member of Kappa Delta Pi, national fraternity, was a Mason, had been affiliated with the Rotary Club, is a past president of the Elkins Lions Club, had been an elder or deacon for many years in the Presbyterian Church, and had been active in Boy Scout work of the Potomac Council. He was also a member of the board

of directors of the Potomac State College Alumni Foundation.

Dean McKee was a veteran of World War II and served as executive officer and director of training at the Air Technical Service Command Training School, Warner Robins, Ga., from 1942-45, being discharged as a major and awarded the Legion of Merit.

He is survived by his wife, the former Miss Beatrice Hall; four brothers, and two sisters.

## Dormitory Named Friend Hall For Former President

Friend Hall is the name officially approved by the Board of Governors of West Virginia University for the Potomac State College's new dormitory for women now under construction and scheduled for opening in September.

The name was selected in honor of Lloyd Lowndes Friend, who served (1902-1905) as the first principal of the Keyser Preparatory Branch of West Virginia University, which is today Potomac State College.

At a meeting of representative alumni held on Sunday, April 21, in the Science Hall Assembly Room, President E. E. Church outlined the importance of annual giving to one's alma mater and gave some background on the Foundation. Thomas J. Conlon, '48, president of the alumni association, then explained the proposed project to those assembled and after receiving their approval, aided Mrs. Robert T. Coffman, Director of Alumni Affairs in passing out lists of persons to be called and the report forms on which to tally results.
